No. 669/A-3/46 dated 26th January 1948.

Sir.

Sub:- Jails - Central Jail, Alipuram and Wellesley Sanatorium Jail, Bellary - Contract 1945-46 - Payment of compensation

ASSTT. 28 JAN 1948 HOME DEPARTMENT

I submit, herewith, for the consideration of Government the following papers relating to the claim for compensation for loss sustained by contractor, Mr.C.Abdul Gaffoor Sahib, in the supply of onions to Central Jail, Alipuram Jail and Wellesley Sanatorium Jail in Bellary during 1945-46.

1. Three Compensation statements.
2. Petition of the contractor together with his statement of accounts.

2/ The contract rate for onions was 1b 21-12 oz per rupee and the market rate at the time of auction was 1b 18-3 oz per rupee. The market rate at the time of supply was 1b 19-4-36/83 oz per rupee for the months of April and May 1945 and the monthwar market rates from June 1945 to March 1946 ranged from 1b 11-1-7/9 per rupee to 1b 14-4-4/7 per rupee. The market rate at the time of supply for the months of April and May 1945 (viz 1b 19-4-36/83 per rupee) was cheaper than the market rate of 1b 18-3 oz per rupee at the time of auction, which is higher than the contract rate. Hence the transaction in respect of these two months had yielded a profit of Rs. 9-6-3 to the contractor. The transaction from June 1945 to March 1946 had resulted in a loss to the contractor to the extent of Rs. 492-12-1. The net loss incurred by the contractor in the supply of onions to the three jails is therefore Rs. 483-5-10 as detailed below:-

		Loss. Rs	Gain. Rs	Net Loss. Rs
Central Jail, Bellary.	Rs.	220- 6- 3	3-10-8	216-11- 7
Wellesley Sanatorium Jail, Bellary.	"	55-11- 2	0-14-10	54-12- 4
Alipuram Jail, Bellary.	"	216-10- 8	4-12- 9	211-13-11
Total	"	492-12- 1	9- 6- 3	483- 5-10

3/ Besides, on account of local purchases, a sum of Rs. 3-12-4 was recovered from the contractor by the Superintendent, Central Jail, Bellary and Rs. 7-14-5 by the Superintendent, Alipuram Jail, Bellary.

4/ The compensation statements have been prepared in accordance with the instructions contained in Government Memo No.13581-C/45-2 Home, dated 23-5-1945. The market rates adopted in the statements are wholesale rates. The contractor had not taken contract for any other articles except onions in the three jails mentioned above.

5/ During 1945-46, the contractor had also contract with Junior Certified School, Bellary, for the supply of onions. The Chief Inspector of Certified Schools, Madras, will send the necessary papers direct to Government in respect of supplies made by the contractor to the Junior Certified School, Bellary during 1945-46.

No.R.o.c.82/CI/48 Dated 19/4/48.

Sir,

Sub : Contract - 1945/46- Junior Certified School, Bellary - Claim for compensation from C.Abdul Ghaffoor Sahib -

Ref : Home Memo.No.7929-C/48-1 dated 4-3-48.

I submit the following papers :-

(i) Contractor's statement of accounts.

(ii)Compensation statement prepared as per instructions in Home Memo.No.13583/C.45-2 dated 23-5-45.

2. On the basis of the market rate of 18 lbs. 3 oz. per rupee at the time of auction it being higher than the Contract rate claim for loss is admissible when the monthwar market rate is 14 lbs 3 4/5 oz. and less per rupee, with reference to the 20% margin. The market rate in April and May '45 was cheaper than the basic rate and the supply in these two months exhibits a gain of Rs.3-12-8 to the Contractor. The transaction in the other months, comes up for assessing the loss and the amount of such loss is Rs.160-14-9.

3 The Headmaster, Junior Certified School, Bellary, mentions a sum of Rs.14-3-3 towards recovery on account of local purchase. Taking this into consideration and setting off the gain of Rs.3-12-8 the net amount of compensation comes to Rs.172/-

4 I wish to make my protest against paying compensation to the contractors when they lose as the Government do not get a rebate when they make a gain. This contractor who defaulted in supply when the prices went against him he does not deserve any sympathy.

Chief Inspector of Certified Schools.

Sir,

I, the contractor for the year 1945 - 46 for the supply of Onions request you to kindly go into the above matter and do the needful.

During the period of my supply high rates prevailed due to the purchases made on a large scale at the Producing Centres by the Parry and other Companies to meet the Military demand. Consequently I had to suffer a heavy loss. This fact was made clear to you at the very time. I was fortunate enough to receive your kind letter R.C.O. No.220/A4/45 dated 7-9-'45., promising due compensation and at the same time asking me to continue the supply. I implicitly obeyed your orders to the satisfaction of the authorities here.

Now my humble request Sir, is, that kindly take up this long delayed matter and consider my case to award me the promised compensation to abate the loss incurred by me.

As per the Endt. N.Dis. No. 2190/46 G, 29-10-46, I have here in enclosed the detailed statement of my loss.

Thanking you in anticipation,

Yours Obediently.

Jails - Contracts - 1945-6 - Jails and School at Bellary - Supply of onions - Payment of compensation.

From the I.G. of Prisons, No. 669-A3-46 dated 26.1.48.
Issued Memo No. 7929 C/48-1 dated 4.3.48.
From the C.I of C.S, No. ROC-82/C1/47 dated 19-4-48

The I.G. of Prisons and Chief Inspector of Certified Schools have submitted for orders the claim of C. Abdul Gafoor Sahib, contractor, for compensation for the loss incurred by him in the supply of onions to the Jails and Junior Certified School at Bellary during 1945-6.

2/. The payment of compensation to the contractors supplying Jails, Borstal School and Certified Schools during 1945-6 is governed by G.O. No. 1945 Home dated 2.7.46. According to this order claims for compensation are considered on the merits of each individual case with reference to the principles laid down in memo No. 13581 C/45-2 Home dated 23.5.45 and compensation if any, is sanctioned only when the contractor has not deliberately quoted rates lower than the market rate at the time of auction with a view to securing the contract and getting compensation later. In the present case

3/. the market rate at the time of auction was lb 18-3-0 per Rs and the contract rate was lb 21-12-0 per rupee. The percentage of undergushing is 19. The contractor is ~~not entitled to compensation~~ in full, as there is no undergushing. Compensation for loss ~~has been~~ is altogether refused where the undergushing is over 50%, and in case where the percentage of undergushing is below 50%, half the amount of loss incurred has been allowed as compensation. The contractor in this case is therefore eligible for half of the loss on the supply of the articles subject to the conditions laid down in memo No. 13581 C/45-2 dated 23.5.45. The I.G. and the C.I have submitted compensation statements prepared in accordance with the instructions in the memo.

net loss incurred by the contractor in the supply of onion to the ~~sub~~ jails at Bellary is Rs.483-5-10. The net loss incurred by the contractor in the supply of onions to the J.C.S. at Bellary is Rs. ~~148~~/ 157-2-1. The total net loss comes to Rs. ~~635-5-10~~ 640-7-11. The amount due for compensation is ½ of Rs. 640 = Rs 320-0-0. ~~Rs.327-8-0~~ So far as the claim in respect of J.C.S., Bellary is concerned, the C.I. does not recommend compensation, for the reasons (1) that the Govt. do not get a rebate when prices go below the contract rate and (2) that this contractor defaulted in supply when the prices went down. With ref. to item (1), it is submitted that the profit, if any made by the contractor in the supply of the same article or any other articles or in the supply to any other institution is deducted from the amount of compensation. The loss is compensated only when the prices go beyond 20% above the contract rate or the market rate at the time of auction whichever is favourable to Govt. and the loss in other cases is not compensated. Loss is not compensated when the contractor quoted deliberately low rates which he cannot normally adhere to. With reference to item (2) it may be mentioned that if the contractor fails, he is liable to pay the difference in cost that the Govt. incurs by local purchase and also a penalty. In addition, this quantity he failed to supply is not taken into account for purposes of compensation.

Thus the Govt do get rebate when the contractor makes a profit and the compensation paid is only to a restricted extent of the actual loss.

5. For orders whether the contractor may be paid a compensation of Rs. 320-0-0.
